## PROFESSIONAL SUMMARY

Background in engineering with experience in data management, product development, and cross-functional collaboration. Recently completed the Junior Software Developer Bootcamp at Generation Thailand and am now looking to pursue a career in the tech industry. Bringing strong analytical and problem-solving skills, hands-on technical experience, and the ability to work effectively in Agile team environments. Always eager to learn, adapt, and take on new challenges.

## SKILLS

- JavaScript
- HTML, CSS
- Python
- PostgreSQL, MongoDB
- Node.js, Express.js, REST API
- Agile/Scrum framework
- Git, GitHub, CI/CD (Vercel, Render)
- VBA Programming & Excel functions

## EDUCATION

### Kasetsart University (2019-2023)

Bachelor in Engineering, Machatronic Engineering

Graduated with First class honors, GPA 3.62

## LANGAUGE

- English : Upper-Intermediate (TOEIC Score : 885)
- Thai : Native

## EXPERIENCE

### Junior Software Developer Bootcamp

Generation Thailand (Mar, 2026 - Jun, 2026)

- Learned the fundamentals of software development, including business models, MERN stack architecture, networking fundamentals, database design (ER diagrams), CRUD operations, and web application development with React, Node.js, Express.js, PostgreSQL, and MongoDB
- Developed a full-stack online bookstore using the MERN stack and CRUD operations, including secure authentication, payment integration, shopping cart, and order management features. Collaborated in an Agile team environment using Git-based version control and automated deployment with Vercel and Render.

### Information & Technology Engineer

Isuzu motors co. (Thailand) ltd. (May, 2024 - Feb, 2026)

- Prepared the traceability data of the vehicle to meet the regulations and ensured reliability using VBA programming/Excel
- Troubleshooted, resolved errors and feedback to Design Engineer
- Prepared data maintenance manual and report to support affiliate factory

### Product development Engineer

Siam Kubota (July, 2023 - Dec, 2023)

- Explored market needs of IoT products
- Provided price structure and sales forecast
- Customer Satisfaction survey

# TRAINING CERTIFICATE & ATTENDED

- **Junior Software Developer**  
- *Generation Thailand (June, 2026)*

- **Essential Pandas for Data Science**  
- *Skooldio (Feb, 2026)*

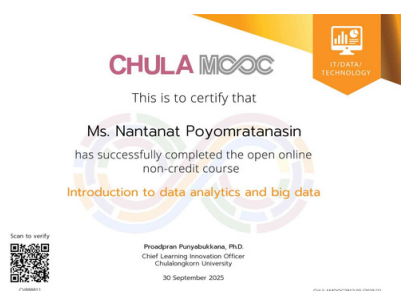

- **MS Excel Macro & VBA Zero to Pro**  
- *cityhubs (Sep, 2024)*
- **Python Programming** - *9Expert Corporation (July, 2025)*

- **Python Programming Mastery**  
- *Skooldio (Feb, 2026)*

- **Intro to Data Analytics and Big Data**  
- *CHULA MOOC (Sep, 2025)*

- **Advanced SQL for Data Analytics with BigQuery**- *Skooldio (Mar, 2026)*

- **Database management with SQL**  
- *CHULA MOOC (Oct, 2025)*
